		<i>Buckingham Palace issue</i>					
		<p>I try hard not to miss details with new issues, but I missed this one. After all, who checks perforations on commem stamps in PSBs? Well, thank goodness someone was on the ball, as the perfs for the exterior commem PSB stamps differ from the corresponding sheet stamps. I have changed the write-up to rectify my error. Stamps highlighted in yellow will be included with the next dispatch.</p>
