GB		Q4 issues are not likely until February/March 2016. The Star Wars PSB to be issued on 17.12.15					
GB		will not arrive until around Christmas / New Year.					
		The Star Wars generic Smilers Sheet, which was ordered					
		as soon as its existence was known, has yet to arrive.					
		It is the source for the Star Wars self adhesives.					
		Being very conscious of postage costs, we will probably					
		delay sending these until early next year.					
Australia		The ACCC has given approval for Australia Post to					
		increase its base letter rate from 70¢ to \$1.00 with					
		mail delivery deferred by 3 days. [This has been					
		"borrowed" from the UK 1st & 2nd class mail services].					
		We do not have full details at present on the proposed					
		priority mail service to be introduced concomitantly.					
		Priority mail will have a sticker which will cost 50¢.					
		like registered mail, that cost can not be applied in stamps.

		We understand that the tariff increase to \$1.00 is to					
		commence on 4.1.16, as is the priority mail service.					
		This information provided in the last dispatch has now					
		been shown to be partially incorrect.					
		Priority mail is identified by a priority sticker which					
		costs 50¢ over the PO counter.				$\vdash$	
		Stamps can not be affixed in lieu of the sticker.  The sticker is applied next to the envelope's stamps.				$\vdash$	
		Priority mail can be lodged over the counter or in a		New			
		pillar box.	S	tatemer	nt		
		The service is unrestricted and can be used by all.					
		Start date is 4.1.16.					
		Registered post also rises to \$3.80 on that day.					
		Extra Cover remains the same at \$1.50 / \$100.					
		The large letter weight steps are \$2, \$3 and \$5.				$\vdash$	
	<u> </u>	Concession stamps remain at 60¢.
