However, following SG's obtuse policy of cataloguing stamps from booklet panes but not those from M/S, they will now be given catalogue status. The same also applies to the Red Arrows PSB pane where the stamps are identical to those in the M/S although, in both cases, have a different format. The M/V Machin pane contains 3 new stamps: 2p deep green, 5p dull red brown & £1.17 sunset red, all coded MPIL/M18L It is uneconomic for us to break up this PSB.</p>  <p>Royal Air Force Red Arrows M/S - unaddressed FDC ordered by us in error - same price as the MUH M/S</p>
