AIRLETTERS:
ENGLAND

List Structure:

AIRLETTERS: ENGLAND

Airletters for Scotland and Wales are in a separate list

Aerogrammes were popular in the 1980s & 90s but with the development of the internet, are virtually unused today.

The last English aerogramme issue was in 2006 [Christmas].

UK dealers developed their own numbering system as no stationery catalogue existed. The numbers in the left hand column are taken from old UK dealer price lists, and extended.

Additional numbers have been added to accommodate specialised issues.

Old UK dealer lists were simplified.

To find an item in this list, please use Adobe's powerful search function.

Aerogrammes were sold with a markup of 5p - 10p
over face value.

NVIs are shown at face value.

All aerogrammes are folded, unless otherwise indicated.

Unfolded aerogrammes, when available, attract a premium of 20%.

For folded aerogrammes which, in total, can fit in a large letter, allow \$3 for packing.

For unfolded aerogrammes, allow \$5 for packing.

Postage & registration etc is extra.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.
