ALBUMS & ACCESSORIES

USED PRODUCTS (ALBUMS & PAGES)

We do not sell, but destroy, used material which we consider as unsuitable for collectors.

The following grading system is our subjective opinion of the product's quality, and therefore relative value.

These items are all very expensive when purchased new.

SP Used Products Grading [remember even brand new shrink-wrap products often have minor blemishes]:

- 5 Pristine, as new, few if any blemishes
- 4 Excellent condition, few minor blemishes
- 3 Good, occasional blemish
- 2 Fair, more blemishes
- 1 Acceptable, some detracting blemishes

NEW PRODUCTS

We sell very few new accessories, our focus being on stamps.

However, due to constant demand, we are now stocking the following:

Hagners - 1 strip to 8 strip

<100	EACH	\$1.40
>100	EACH	\$1.25
>1000		negotiable

SP-A70	The following three albums are "standard" illustrated albums originally supplied without mounts. The owner has added clear crystal (Hawid) mounts as he acquired the stamps. The mounts have been meticulously inserted giving the impression that they were preinstalled by the manufacturers. All albums are in top condition. Japan: Red vinyl (leatherette) 4 pin Lighthouse Album with matching slipcase for 1945 -1956. MUH stamps for this period are quite scarce, particularly for the National Parks issues. Consequently, many of these are without mounts; black photos of each stamp / M/S; clean, couple very minor blemishes; condition 4 (because of missing mounts).	\$100.00
SP-A71	Japan: Light tan vinyl (leatherette) 2 pin Schaubek Album (without slipcase) for 1960 -1980. Only missing a couple of mounts; black photos of each stamp / M/S; clean, couple very minor blemishes; condition 4-5	\$125.00
SP-A72	Japan: Light green cloth covered 2 pin Schaubek Album (without slipcase) for 1981 -1995. Only missing a couple of mounts; black photos of each stamp / M/S; clean, minor blemishes on cover from auction labels; condition 4-5	\$125.00
SP-A70-2	Buy all three albums for a further savings. High replacement cost.	\$275.00
SP-A73	West Germany: Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (Vol I) (no slipcase) for 1949-1984 (pp7-89, B1-B13); hingeless with black photos (the prior owner has added black well cut mounts as he acquired the stamps. These black mounts obviously obscure the photos but the relevant stamps could be identified with the aid of any standard catalogue. However, perseverance would be required. From 1949-1967, there is only the odd mount. From 1968-1984, all spaces have black mounts. Photo mounts have been used for booklets & M/S so the photos are obvious. These mounts can be peeled off the pages but do tend to leave a gum mark. If they were overlaid with black Hawid / Prinz mounts (to complement the rest of the album), this detractor would be removed. Condition 1 (because of the above). Very neat & clean.....For the value of the cover alone.	\$25.00
SP-A74	Liechtenstein: Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (no slipcase) for 1912-1998 (pp1-95 ex pp88-89 (1995), A1-A3, B1-B16, D1-D5, P1-P2); hingeless with black photos for each stamp, M/S (couple M/S pages are without mounts). Inside front cover has auction label remains; outside front cover has signs where adhesive labels were attached (not too distracting & could be perhaps remedied); inside jacket is aged (replace!); backs of the lower right corner of the first 20 or so pages have thumb marks where the prior owner has turned pages & it shows through on the front of the first 2 pages; some insect stains on the first 20 pages). Condition 1 (because of the above). Very neat & fairly clean apart from noted exceptions. If a few pages were replaced, this would be an excellent album. A good building block at a fraction of the initial cost.	\$40.00
SP-A75	Album with blank pages: Blue vinyl (leatherette) 18 ring Lindner Falzlos Album with 30 pages (2 to 6 strips/page); no slipcase; hingeless with clear page strip mounts on white board; can accommodate stamps & M/Ss; permits dual M & U collections; well cared for album; very clean; condition 5 (retail \$175+)	\$60.00
SP-A76	Album with blank pages: Green vinyl (leatherette) 13 ring Lighthouse Album with ~95 pages (1 to 6 strips/page); matching slipcase; hingeless with clear page strip mounts on white board; can accommodate stamps, M/Ss & larger items; permits dual M & U collections; well cared for album & very clean; condition 5	\$100.00
SP-A77	Curacao / Netherlands Antilles: Deep blue with Coat of Arms 2 pin Davo Standard Album (Vol IV) Netherlands colonies (no slipcase) for 1873 - 1988 (pp1-70, with extra pages for mini sheets & airmails & BOB); hingeless with black photos for each stamp, M/S with crystal clear mounts. A few pages have additional black mounts to provide for "extras" such as gutter pairs (one page has clear mounts on its reverse for the same reason. Couple of stray biro marks (not detracting). Overall, a well cared for and clean album; condition 4 (because of minor black mounts etc) (retail \$200+)	\$100.00
SP-A78	Album with blank pages: Maroon vinyl (leatherette) 14 ring Safe Album with 33 empty double sided black vinyl pages - 3 x No1 + 15 x No2 + 1 x No3 + 8 x No5 + 5 x No6 + 1 x No8 pockets; suitable for M/S, sheetlets or FDCs; ghost impressions / rubbing from previous contents can be cleaned; clean; black slipcase; condition 2-3	\$75.00
SP-A79	Luxembourg: Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (Vol II) (no slipcase) for 1980-1997. Neatly cut black mounts cover most stamp illustrations. A catalogue will help. 1997 pages are virgin (black pictures but no mounts). 13 blank brand new quadrille pages at the end could be useful. Again, we won't waste time here. For the value of the Album cover alone.	\$25.00

SP-A83	DE Ringbinder & slipcase: Red vinyl (leatherette) 13 ring Lighthouse binder (album) & matching slipcase; no pages; condition 4-5; retail \$130; 4 available EACH	\$40.00
SP-A84	West Berlin: Very deep blue / black with Coat of Arms 2 pin Davo Standard Album (no slipcase) for 1948-1984 (pp1-50, B1-B6); black photos, but no hingeless mounts (the prior owner has added black pre cut mounts as he acquired the stamps, mostly 1967 onwards. These black mounts obviously obscure the photos but the relevant stamps can be easily identified as the mounts are not fully adhered and most should be able to be removed or replaced with care. Booklets have photo mount remainders. There is evidence of hinging of used stamps, but the hinges were peelable and there are no hinge remains. The cover is a little faded and has some surface rubs on the inside front & there are very light pencil prices throughout (will probably come off with a good rubber). Condition 2 (because of the above). A very usable album with a little thought and planning. Black pre-cut mounts would be recommended for a top finish (we don't sell them so no barrow to push!)	\$30.00

SP-A132	<p>Russia / USSR: Red cloth 2 pin Schaubek albums (no slipcases) for 1857-1991; illustrated pages with many mounts. The owner has used mainly black neat hand cut Hawid mounts for those items he collected but on occasion used clear mounts. Whilst these cover illustrations, they usually are not stuck all over, thus enabling the stamp to be identified from its partially displayed picture. Occasionally, clear mounts were used. These could be replaced for uniformity. Missing stamp illustrations are annotated in biro with a catalogue number (publisher unknown). These would be covered by the addition of black mounts. Album covers are in very good condition as are most pages although occasionally some show their age. Albums are individually described below but sold as a set only.</p> <p>Album 1: 1857 - 1954 (pages 1 - 105 + extras) Most stamps up to the mid/late 1930s not collected but with better representation thereafter. Use of biro for cat numbers minimal. Some (removable) pencil annotations. Overall, pages are in very good condition.</p> <p>Album 2: 1954 - 1968 (pages 106 - 244) A well collected period with mounts covering about 90% of spaces. Use of biro for cat numbers minimal. Overall, pages are in good condition.</p> <p>Album 3: 1969 - 1981 (pages 245 - 401) An extensively collected period with mounts covering about 95% of spaces. Mounts are a mixture of black & clear, but predominantly black. Biro used for cat numbers of some missing stamps. Pages are in very good condition.</p> <p>Album 4: 1982 - 1991 (pages 402 - 508 + pages for mini sheets) A well collected period with mounts covering about 70% of spaces. Mounts are a mixture of black & clear, but predominantly black. Biro used for cat numbers of missing stamps. Pages are in very good condition.</p> <p>Album 5: 1937 - 1989 (pages un-numbered) for miniature sheets. Only a few mounts (both black & clear), not cut to size, which could be removed & replaced with better ones. Only an occasional (removable) pencil annotation. Overall, pages are in very good condition. Clearly the paucity of mounts shows that this area was not collected by the previous owner.</p>

CATALOGUES		
<p><i>All of these catalogues were purchased NEW by ourselves for internal use and have been treated with care. Although used, they are all in excellent (many as new) condition. For catalogues in foreign languages, we use pocket dictionaries for translations which are not obvious. These are available from bookstores or larger newsagencies for around \$6 - \$10 each. Computer users can also purchase professional translation packages and foreign language dictionaries. However, they tend to be expensive (\$200+). For those with internet access, Google provides a free translation service with its standard search engine. There are also numerous other foreign language translation services on the internet.</i></p>
