|         |             |       |     | <i>These are P-stamps sold on cruise ships and meant to be personalised. There are 4 generic sheets each featuring a different bird within the same 2 stamp designs in each sheet. One of the sheets is illustrated above. A personal photo would replace the bird image in the stamp. The 5 pairs of stamps on the right are kiss die cut, whereas those on the left are simply images (vignettes) and are not valid for postal use, although they are denominated and catalogued by Michel as imperforates. Printed albums provide for the four pairs and Michel notes these. However, Michel unusually illustrates only one bird design, as do NVPH and Scott. SG makes no reference to the issue. Interestingly, both Michel &amp; NVPH illustrate different bird designs.</i> |       |      |     |           |      |
