FRENCH SOUTHERN &  
 ANTARCTIC TERRITORIES

**List Structure:**

Commems, definitives & airmails are all together in approximately SG number order  
**Booklets**

To find an item in this list, please use Adobe's powerful search function.

Yvert & Tellier list separate series for mini sheets and airmail stamps additional to their main listing.  
 To avoid confusion, we have added prefixes to the Yt numbers for the additional series. These are:

A = airmail

Blk = block = mini sheet

Yt and Michel also assign numbers to stamps from Mini Sheets.

We obtain our stock from collections we purchase.

We do not have a France / FSAAT supplier.

Consequently, where something is unpriced, we do not have it at present.

We list all items we have in stock, including broken sets, and singles from sets.

**Prices subject to change without notice.**

Please note that GST (currently 10%) is applicable from 1 July 2000.

International sales are GST free.

**The prices in this list  
 INCLUDE  
 GST**

**All prices are in Australian dollars.**
