GREAT BRITAIN:
DEFINITIVES from 1970
MACHINS & COILS
POSTAGE DUES

This is a simplified listing of predecimal (£/s/d) and decimal (£/p) Machin stamps, decimal Wildings and high value definitives from 1970. The listing is based on SG *Concise* and updated regularly from *Gibbons Stamp Monthly*. Our Specialised Machins list is available for more advanced collectors. There is also a separate list for Regionals. Dates indicate when a particular stamp was first issued philatelically. However, those stamps may come from a number of sources (sheets, coils, booklets, prestige booklets) which have different issue dates and different attributes. As this is a simplified list, stamps supplied can be from any source and issued on dates other than those indicated. Collectors who require stamps from specific sources or with specific attributes are referred to our Specialised Machins List.

List Structure:

PREDECIMAL / DECIMAL MACHINS (by SG number)
HIGH VALUES - DECIMAL & PREDECIMAL
MULTI-VALUE COILS
UNDERPRINTS
DECIMAL WILDINGS
DOUBLE HEADS (PENNY BLACK ANNIVERSARY)
DECIMAL DEFINITIVES (CASTLES & BRITANNIA)
MACHINE VENDED LABELS (FRAMAS & FASTSTAMPS)
POSTAGE DUES
MINIATURE SHEETS & PACKS
DEFINITIVE PACKS & FDC's

Separate lists exist for:

GREAT BRITAIN: Commemoratives
GREAT BRITAIN: Special Cancels
GREAT BRITAIN: Booklets, Panes & Airletters
GREAT BRITAIN: Definitives to 1969
GB: Specialised: Defins from 1970, Machins
GREAT BRITAIN: Regionals

WE OFFER A NEW ISSUE SERVICE
FOR GREAT BRITAIN. PLEASE ENQUIRE.

MINT & USED STAMPS; WE DO NOT SELL MINT or USED MACHINS

Fine used stamps are reasonably well centred, defect free and have light commercial cancellations. The British Post Office will NOT hand cancel mail, philatelic or otherwise. Registered &/or parcel mail yields only a minute percentage of suitable cancellations. Consequently, circular cancels are difficult to obtain and a number of GB fine used stamps sell in excess of MUH prices. Collectors who insist on circular cancels can expect to pay premium (FDC) prices on many issues. We automatically supply circular cancels when available. Good / average used, when available, sell for one half the FU price. Please enquire.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

The prices in this list
INCLUDE
GST

All prices are in Australian dollars.

SPECIAL SECURITY FEATURES

Security features include:

- elliptical perforations
- iridescent ROYAL MAIL wavy lines background overlay
- horizontal iridescent ROYAL MAIL lines overlay to the Queen's head
- 2 "paperclip" cuts for self adhesives, water insoluble gum
- source & date codes

These features were introduced gradually and do not exist on all stamps

Source codes - generic Machins (emphasis added):

- ROYAL MAIL - no code - counter sheets of 50
- ROYBL MAIL - code B(1) - business sheets of 50 [B for business]
- ROYAL MBIL - code B(2) - business sheets of 100
- ROYAL MCIL - code C - booklets containing Machins & special stamps [C for custom]
- ROYAL MFIL - code F - booklets containing 4 definitives [F for four]
- FOYAL MAIL - code F - booklets containing 4 definitives [F for four]
- ROYAL MPIL - code P - Prestige Stamp Booklets [P for prestige]
- ROYAL MRIL - code R - rolls [R for roll]
- ROYAL MSIL - code S - booklets containing 6 definitives [S for six]
- ROYAL MTIL - code T - booklets containing 12 definitives [T for twelve]

Stamps are from counter sheets unless otherwise noted

Note that this series is constantly changing as new values and date reprints of existing values are added. SG slot new values into the various sub-classes often using "a" & "b" numbers etc. On occasion existing stamps need to be re-numbered. Until the next SG Concise is issued, SG numbers may be inconsistent with earlier SG catalogues and duplicate numbers may exist.

<p>The above pack is essential for specialist Machins collectors as it is the only source of 5 specialised definitives.</p> <p>The last 5 stamps on the bottom row of the pack are all self adhesive, full die cuts (referred to by Unitrade as "cut to shape"), on white substrate (a Deegam term -- commonly referred to as backing paper).</p> <p>They have been punched from special coils expressly created to service these packs.</p> <p>The last stamp has already been made available in this form as a single from Royal Mail.</p> <p>The NVI 1st & 2nd Machins have appeared on white backing paper from business sheets but only in kiss die cut format (ie surplus backing paper). This is their first appearance full die cut.</p> <p>The worldwide postcard and Europe airmail stamps have been available as singles, full die cut, but on booklet stock (red and blue backgrounds), having been punched directly from the booklets.</p> <p>This is their only appearance on white substrate from the specially created coils.</p> <p>However, other subtle differences exist. All 3 airmail stamps have dull fluor, and have been printed by Walsall in different shades to the originals which have brighter fluor.</p> <p>These varieties have been catalogued by Deegam and Connoisseur and, presumably, other specialist Machins catalogues will follow suit.</p> <p>It is uneconomic for us to sell only 5 relatively low values from the pack.</p> <p>We have limited stocks of this pack so, if you require one, please order quickly.</p>												
72	2006	GB Low Values: 37p - 72p									10.05	
73	2006	Country pictorial defins: 44p, 72p									20.10

86	2010	GB: Stamps issued 30.3.10 + Recorded Signed For  <p>The above pack is essential for specialist Machins collectors as it is the only source of 2 specialised definitives. The first 2 airmail stamps are self adhesive on white substrate and punched from special coils expressly created to service these packs. Unlike the examples in the previously illustrated pack, they are not die cut to shape but have been punched rectangularly with a white matrix border.</p> <p>The 2 airmail stamps were also issued in retail booklets of 4, but these have corresponding green and purple booklet covers, and no matrix.</p>								34.80		
97	2013	GB: Stamps issued 27.3.13 + Royal Mail Signed For [RMSF]  <p>The above pack is essential for specialist Machins collectors as it is the only source of 5 specialised definitives. Stamps in the pack come from specially prepared jumbo rolls which are then guillotined for packs & FDCs. This compares with the sheet stamps which have rouletted backing paper.</p> <p>All stamps were printed by De La Rue although, at the issue date, the three denominated values were printed by Walsall because of DLR printing press problems.</p>								34.80
