LIST 13

When we buy collections, we frequently acquire items which do not fit into our standard price lists or provide quantities which exceed our stock requirements. As these lots are one-off non-stock items, or excess-stock multiple copies, we are prepared to discount their prices significantly.

Where we have multiple lots available, we show

MULTIPLE

next to the price box.

In these cases, if you would like more than one lot, please advise the number required and we will indicate availability.

The scanned image is generic where there are multiple lots available.

Please state the number for each item when ordering.

All items remain on sale until sold or withdrawn.

There is no expiry date for this list.

NOTE: Prices are for each item only and include GST
Postage, packing & insurance is extra.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.
