## LIST 31

When we buy collections, we frequently acquire items which do not fit into our standard price lists or provide quantities which exceed our stock requirements. As these lots are one-off non-stock items, or excess-stock multiple copies, we are prepared to discount their prices significantly.

Where we have multiple lots available, we show

**MULTIPLE**

next to the price box.

In these cases, if you would like more than one lot, please advise the number required and we will indicate availability.

The scanned image is generic where there are multiple lots available.

**Please state the number for each item when ordering.**

**All items remain on sale until sold or withdrawn.**

**There is no expiry date for this list.**

NOTE: Prices are for each item only and include GST.

Postage, packing & insurance is extra.

Please note that GST (currently 10%) is applicable from 1 July 2000.  
International sales are GST free.

The prices in this list

**INCLUDE**

**GST**

All prices are in Australian dollars.

Number	Country	Description	Price \$	Graphics
--------	---------	-------------	----------	----------

**31-1 Germany - West Berlin:** 1986-1989 Famous German Women series complete - 17 values.  
 CTO with uniform pictorial cancel with each stamp dated FDI.  
 This is a scarce set as it was issued just before the collapse of the Berlin Wall and the reunification of East and West Germany on 3.10.90.  
 Stamps remained on sale until 31.12.90 and were demonetised on 31.12.91.  
 Thus the set saw much less than its normal postal use with some stamps being on issue for only a matter of days.  
 Whilst the "socked on the nose" cancel is bliss to German collectors, its "in your face nature" nature is not well accepted by naive "corner nicked" collectors.  
 Thus the set is offered at a 50% deep discount.  
 For this set, FU stamps are much scarcer than MUH.

SG	Michel	Normal Price	\$235.75
B732-48	various	Special Price	\$120.00

**31-2 Germany - West Berlin:** 1987-1990 Tourist Sights series pva sheet stamps complete - 15 values.
