LIST 33

When we buy collections, we frequently acquire items which do not fit into our standard price lists or provide quantities which exceed our stock requirements. As these lots are one-off non-stock items, or excess-stock multiple copies, we are prepared to discount their prices significantly.

Where we have multiple lots available, we show

MULTIPLE

next to the price box.

In these cases, if you would like more than one lot, please advise the number required and we will indicate availability.

The scanned image is generic where there are multiple lots available.

Please state the number for each item when ordering.

All items remain on sale until sold or withdrawn.

There is no expiry date for this list.

NOTE: Prices are for each item only and include GST.
 Postage, packing & insurance is extra.

Please note that GST (currently 10%) is applicable from 1 July 2000.
 International sales are GST free.

- 33-1 Michel Europa - CEPT catalogue: 2013**
 Brand new - just published. Our wholesaler sent us 2 by mistake and too expensive to return.
 This catalogue is the bible of Europa / CEPT stamps and also contains forerunners and corunners (sympathy issues), NATO, EFTA, KSZE etc. The catalogue is arranged by year and then alphabetically by country. Although in German, there is an enclosed translation book, and further translations, if needed, can be obtained from on-line dictionaries or, as we use extensively, from Google translate.
- Offered at the wholesale price we paid (zero profit to us) to get it off my desk. The catalogue has yet to arrive in Australia.
- Indispensable to Europa collectors.

Retail Price	\$110.00+
Special Price	\$85.00

Postage & registration is EXTRA.
