USED STAMPS

Used stamps are reasonably well centred, defect free and have light commercial cancellations. The British Post Office will NOT hand cancel mail, philatelic or otherwise. Registered &/or parcel mail yields only a minute percentage of suitable cancellations. Consequently, circular cancels are difficult to obtain. Thus many GB Fine Used stamps sell at a premium to MUH prices. Collectors who insist on circular cancels can expect to pay premium (FDC) prices on most issues. All decimal stamps are Fine Used and have circular or pictorial cancels.
