This price list serves both simplified and specialist collectors.  
 For simplified collectors, follow the SG Concise numbers.  
 For specialised collectors, follow the SG Vol 3/4 and / or the Deegam numbers.

**We do not list**

*Omitted Phosphor  
 Phosphor Shifts*

unless these are in stock.

**We do not list**

stamps from specific cylinders / plates, eg Q1Q1 vs Q2Q2 etc.

**DATES**

Discrepancies sometimes occur between the various catalogues with respect to issue dates. This mainly occurs with varietal issues with unplanned and / or unannounced dates of issue. Most dates listed here are based on SG and are "official" or philatelic dates of issue. With discrepancies, we favour the dates of Deegam which is the definitive work on the subject. Deegam dates indicate earliest known use.

**ENGLAND**

**Pictorial Definitives**

**Gravure -- EME --Phosphor Bands  
 Elliptical Perforations**

**When new issues occur, SG frequently renumber existing issues. Consequently, there may be discrepancies between SG numbers shown in this list and the current SG Concise catalogue.**
