|         |          |      | Stamps shown in the MNG column are almost exclusively MUH from a collection stored in a Chinese stockbook. Some show signs of rust, often detectible only under U/V and with a glass. Much of the rust is a speck here and there. There is no substantial rusting. We offer them "as is". |        |      |       |           |      |

| SG does not number machine vended labels | Michel Automatenmarken Spezial Katalog identifies the sub types | 1    | <p><b>MACHINE VENDED LABELS</b></p> <p>These labels were vended by machines of different manufacture including Frama, Klussendorf, Crouzet, Olivetti &amp; others. This has resulted in literals with various font attributes, viz small, medium and large heights and narrow and wide font widths. Labels were produced with ordinary gum or self adhesive gum depending upon the dispensing machine. og = ordinary gum; sa = self adhesive gum. A number of series exist for most designs as postal rates and hence values changed. We only list the series we have in stock. The year shown is when the design was first issued.</p> <p><b>All labels are imperforate.</b></p> <p><b>Label Types refer to size &amp; shape</b></p>  <p><b>Type 1 label ordinary gum (og)</b></p>  <p><b>Type 2 label ordinary gum (og)</b></p>  <p><b>Type 3 label self adhesive gum (sa)</b></p>  <p><b>Type 4 label self adhesive gum (sa)</b></p> <p><b>Currency - 100 centavos = 1 Escudo</b><br/> <b>CORREIO AZUL = blue mail = priority mail</b><br/> <i>First Issue (og)</i></p> <p>Type 1 label [8, 22.5, 25E] - machine number at middle bottom<br/> <input type="checkbox"/> Set 10v, one for each machine, all cancelled FDI</p> |               |   |     |           | 37.00 |                      |
